

Black Dog Gunsmithing LLC Q4 2025 Price List

Pricing is either fixed or variable based on project complexity or condition. See the legend at the end for some examples. If you have questions or wish to request an estimate, please contact me.

Service	Low Variable	High Variable	Fixed Cost
Hourly rate for work tasks not listed below.			\$80
Rush work surcharge added to invoice - Jump the queue and waitlist. Rush projects are done first before anything else and the only time they are not worked on is when there's something out of my control preventing them (parts/feedback/range openings/etc.) Charge is per gun.			\$100
Operator-level disassemble, clean, inspect, oil, reassemble. Do not include safety & function check, headspace check, or test fire. Rust removal limited to corrosion which would likely affect function.	\$150	\$250	
Full disassemble, clean, parts inspection, oil, reassemble, headspace check, safety & function check, test fire (ammo cost not included). Includes <u>surface</u> rust removal.	\$250	\$400	
Test fire (does not include ammo, safety/function & headspace check must have been performed previously)			\$50
Boresight customer gun			\$30
Sight-in customer gun 25-100 yards (ammo not included). Requires necessary cleaning, prior safety & function check, headspace check.			\$50
Drill & tap receiver for sights (+\$20 for each hole)			\$40
Install front/mid-rib shotgun bead (bead not included) +\$20 per bead			\$40
Check headspace - Requires partial to full disassembled cleaning. Does not include headspace gauge rental if needed.			\$40
Engraving --- Contact Saft Custom or Northern Knives			
Chamber casting and identification			\$75
Remove stuck fired case from chamber			\$80

Service	Low Variable	High Variable	Fixed Cost
Stock refinish - part shotgun/lever gun	\$150	\$400	
Stock refinish - rifle	\$150	\$350	
Pillar bed rifle (does not include pillars)	\$100	\$150	
Glass bed rifle	\$200	\$300	
Install grind to fit recoil pad (does not include pad)	\$80	\$120	
Install adjustable buttplate (does not include hardware)	\$120	\$160	
Install sling swivel, per swivel (does not include swivels)	\$20	\$60	
Inlet semi-inlet stock	\$200	\$350	
Transfer fee if no other services			\$100
Transfer fee if other services being provided			\$30
Multiple handgun surcharge (per gun)			\$30
Test fire ammo, parts, services			30% markup
Fixed - The cost for the service is flat.			
Low Variable - The work coming in is in generally good condition or is very simple. Example: A single shot rifle needs to get pillar and glass bedding done. Example2: A stock with some minor scratches from years of hunting trips comes in for a refinish.			
High Variable - The work coming in is in poor condition, complex, or rare Example: A hunting rifle which was left out in the elements for months with no protection comes in for cleaning Example2: A stock which was used as a hammer for a home construction project comes in for a refinish Example3: Your great great great grandfathers WWI rifle he brought back from the war needs to be cleaned and refinished before it goes onto a wall
